

# Sprucera

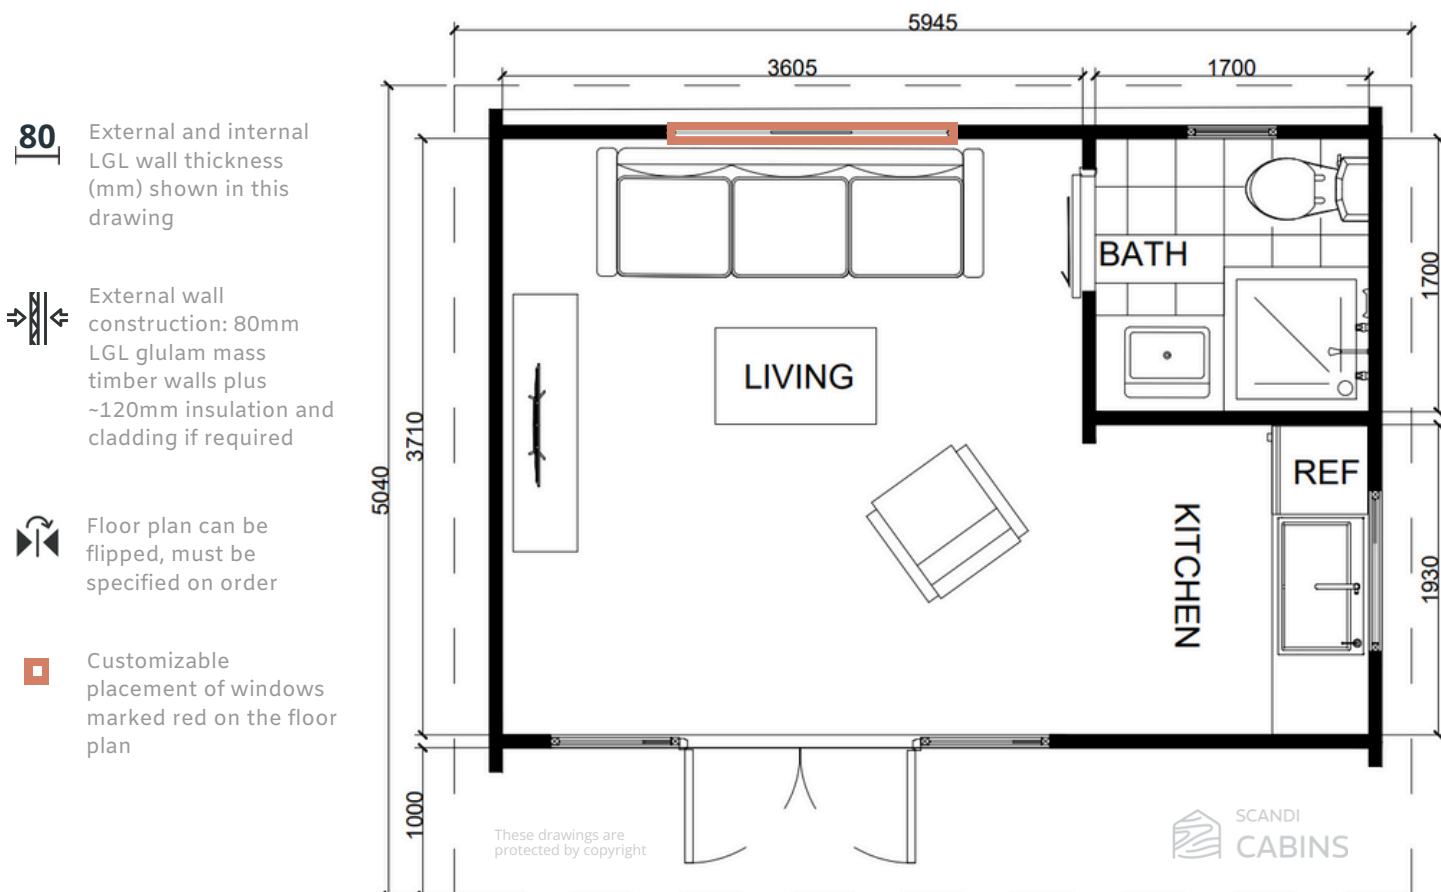

20m<sup>2</sup>

5.4m x 3.8m

studio

Elegant and functional, our most popular cabin, Sprucera, features a separate room inside that can be used as a bathroom or for storage. It serves as the ultimate teenage retreat, a home office, or the perfect space for sleepover guests. The cabin boasts panoramic French doors, German hardware, and double glazing in both doors and windows.

# Features

Sprucera

- Panoramic doors allow natural light
